Join us for a UNIQUE journey on a beautiful cruise ship. We travel roundtrip from Seattle through the Salish Sea during an incredible spring week. We have full days in both major BC cities to explore world-class gardens, historic architecture/ designs, incredible museums, fun shopping plus a day at sea to soak in all that scenery: Ocean views that can only be captured from your comfortable perch on a Holland America epic ocean liner. And what a ship she is! The ss Eurodam has special appeal for us with a combination of cozy lounges (Blues, Pop & Classical), multiple dining venues and spacious public areas: Explorer's Lounge is up top for the ever-changing Salish views to the gorgeous Mainstage Theatre with the best entertainment talent Holland America offers.
